**Course Name: Cyber Security Master**

**Course Duration: 60 Hours**

**Certifications: Attendance Certificate + Eligible for international certifications**

The Cyber Security Master Training course is a professional training course that is dedicated for I.T Professionals who already have achieved certifications in Systems Administration and Network Infrastructure and aiming to expand their knowledge in the Cyber Security field and become eligible to plan enterprise security policies and produce security reports.

Mastering Penetration Testing is the key to be a successful Ethical hacker , Discovering the weaknesses and vulnerabilities in targeted systems and uses the same knowledge and tools as a hacker.

Our Cyber Security Master course provides the student with all the knowledge and methods needed for the purpose of finding and fixing computer security vulnerabilities along with hands-on lab exercises using the same methods as a hacker, which eventually will assist the students in passing the related certification exams.

This Training Course has a significant Return on Investment, you walk out the door with hacking skills that are highly in demand and are required nowadays to protect Computer Networks.

# Cyber Security Master – Course Outline

**Module 01:** Introduction to Ethical Hacking

**Module 02:** Information Gathering

**Module 03:** Scanning Systems

**Module 04:** Auditing System Security

**Module 05:** Vulnerability Analysis

**Module 06:** Protection from System Hacking

**Module 07:** Malwares Threats

**Module 08:** Network Sniffing

**Module 09:** Social Engineering

**Module 10:** Denial-of-Service

**Module 11:** Wireless Networks Protection

**Module 12:** Securing Firewalls

**Module 13:** Web Servers Protection

**Module 14:** Securing Database Severs

**Module 15:** Storage Security

**Module 16:** Mobile Systems Protection

**Module 17:** IoT Security

**Module 18:** Cloud Computing Protection

**This training course is taught by Cyber Security Specialists with more than 15 years of experience**
